### ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

## THE PEDESTRIANS

Wave Books. Paperback. Book Condition: new. BRAND NEW, The Pedestrians, Rachel Zucker, "Zucker is a poet of bottom-scraping, blood-chilling existential anxiety, one among many, and a poet of New York City, one among many, and a poet of American Jewish inheritance, one among many, and one of the funniest, too."-- Boston Review Rachel Zucker returns to themes of motherhood, marriage, and the life of an artist in this double collection of poems. Fables, written in prose form, shows the reader different settings (mountains, ocean, Paris) of Zucker's travels and meditations on place. The Pedestrians brings us back to her native New York and the daily frustrations of a woman torn by obligations. That Great Diaspora I'll never leave New York & when I do I too will be un-bodied--what? you imagine I might transmogrify? I'm from nowhere which means here & so wade out into the briny dream of elsewhere like a released dybbyk but can't stand the soulessness now everyone who ever made sense to me has died & everyone I love grows from my body like limbs on a rootless tree Rachel Zucker is the author of Museum of Accidents, which was a finalist for the National Book Critics Circle Award. She is also the author of The Bad Wife, The Last Clear Narrative, Eating in the Underworld, and Annunciation.
