Pub Date :2003-12 Publisher: Guangdong Higher Education Press Content About Language Education in China after 100 years of hard exploration, and finally in the early 2000s ushered in the best period of development of its own discipline: This is with the forward to the start of the national basic education curriculum reform, starting in the first line of language educators the truly multilingual character teaching practice of Chinese language education reform and development trend. Book more than 40 articles Lesson, is not and it will be difficult to achieve Sylvia is the essence of the curriculum reform. Their use of curriculum ideas clever clumsy on the interpretation of the text has a shallow depth, innovative way of learning how small, to improve the effectiveness of the language quality are of different sizes; teaching stories, is there or smooth, rigorous, or vivid, or principled clear difference. However, they all have a common characteristic, that is, the language education reform enthusiasm and pursuit! The first batch of national curriculum reform experimental zone of secondary school language teachers are lucky. They listened to directly explore the idea of ??the national language masters curriculum design and teaching materials. However, the exploration of these teachers is hard, you need to later counterparts one step ahead of the thinking and practice. Although the theory needs to be improved, the practice needs to be deepened, passion for language curriculum reform, however, is getting heavy, more and more intense. Shihao officials charm back teaching practice and reflect on 5 practice make a success or failure of the catalog of traditional texts among court Commander 3 spark ignited the students' emotional depths infinite new ideas Interpretation Jinan...
