I wrote this book to show you love and the rocky and smooth and satisfying parts of love. It s all about two people who were confused and wanting to take the love road the right way. Two people who knew each other since 9th grade. A love that I am letting you read is a true love that really happened. Towards the ending of the story, the happily ever after was switch up with Maytiana real love story. Maytiana have her love life in her hands, and she ends it the way she wants the story to end.
