BiblioLife. Paperback. Book Condition: New. This item is printed on demand. Paperback. 308 pages. Dimensions: 8.0in. x 5.0in. x 0.6in. Preface. Italian Renaissance, Royal Patrons, and A Patron of Later Days, are intended to give some account of the classes of men who have enabled artists to live and work. Those on An Intriguing Sculptor and The Troubles of an Artist sketch the vexations of the artistic life. Pliny and Horace Walpole and The Indispensable Vasari are typical historians of the worlds masterpieces. The Story of the Gem shows how an entire branch of art may come at last to be utterly neglected, while the chapters on Jewels and Precious Stones and The Goldsmith and Silversmith draw attention to two of the most attractive of the minor arts. Lastly, the sketches of Art and War and Art and Religion suggest some of the external influences which have affected artistic production. F. S. R. (Typographical errors above are due to OCR software and dont occur in the book.)
