

T.M.P. Mahadevan: (The Builders of Indian Philosophy Series)

Filesize: 4.91 MB

Reviews

Most of these ebook is the perfect publication offered. Sure, it really is play, still an interesting and amazing literature. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).

Munshiram Manoharlal Publishers Pvt. Ltd., 1998. Hardcover. Book Condition: New. First. 15 X 23. In academic circles Mahadevan and Advaita are synonyms. A practical Advaitin by training and temperament, T.M.P. Mahadevan enriched the Vedic tradition through analysis, explanation, and interpretation of Advaita in all his writings and lectures. The Advaitin who attracted his attention from the beginning was Sankara. It is through Sankara that he surveyed pre-Sankara, post-Sankara and contemporary Advaita. To him, Advaita is not only the summum bonum, but also the paradigm in terms of which he examined other philosophical systems, Indian and non-Indian. He interpreted the culture and philosophy of India not only to his own people, but also to academics and non-academics outside India. His numerous writings noted for their depth and range help us to understand the theory and practice of Advaita. This monograph is a comprehensive study and interpretation of the writings of Mahadevan who was both an academic and a spiritual man. Among the builders of Indian philosophy, he was certainly one.
