Yogi Impressions Books Pvt. Ltd., Mumbai, India, 2015. Softcover. Book Condition: New. First Edition. In May 2007, Gautam wrote an article in Life Positive, Indias leading spiritual magazine, as a tribute to Ramesh on his 90th birthday. With the heartwarming response from readers to this article, and Rameshs suggestion to make it into a booklet, he then put down what he considered the core of the teaching as presented by Ramesh to seekers from all over the world in his morning talks. Gautam Sachdeva first visited the Advaita sage Ramesh Balsekar in February 2000, and has been attending his talks ever since. Over a period of eight years, he also found himself taking on the role of a publisher, working intimately with Ramesh in the process of publishing some of his books. Most of Rameshs books have been published from his original hand-written notes, or are transcripts of dialogues with seekers. This book is a summation of the core concepts in the "spoken word" of Ramesh, as if he were walking the seeker through his entire teaching in one morning talk. Printed Pages: 108.
