THE CARP CASTLE

Overlook. 1 Cloth(s), 2013. hard. Book Condition: New. A sly, sexy, and haunting work, this posthumously published novel from MacDonald Harris is the story of a disparate group of strangers adrift and confused in the decade after World War I. These haunted men and broken women find themselves bound together by an ineffable force: the seductive spell cast by a mysterious woman named Moirapart cult leader, part mystic, part prophet. These misfits board an airship called The League of Nations, which will, perhaps, deliver them to the promised land."As stirring and beautiful as one of the airships that MacDonald Harris so obviously delighted in, The Carp Castle is surely among the best 'love novels' published in recent memory. Harris is at his peak here: witty, sexy, surprising, and so generous to his cast of crackpots and con-artists and heartsore seekers."Owen King" This previously unpublished novel by the late Harris is, like his well-loved favorite, The Balloonist, also concerned with flight; this time it's dirigibles (zeppelins) at the time of their ascendancy between the first and second world wars. In particular, the dirigible named The League of Nations is being utilized by a spiritualist group the Guild of Loveto promote its message and to find its promised land, Giaconda, apparently a tropical oasis at the North Pole."Booklist 301.
