

20 Fun Facts about the US Flag (Hardback)

Filesize: 8.51 MB

Reviews

*It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

20 FUN FACTS ABOUT THE US FLAG (HARDBACK)

Gareth Stevens Publishing, United States, 2013. Hardback. Book Condition: New. 218 x 216 mm. Language: English . Brand New Book. The Stars and Stripes, with its iconic colors and patterns, has long been a symbol of freedom in the United States and all over the world. But the US flag we're familiar with today has only been around since 1959. Before that, the flag took on many different arrangements. Readers will learn about the many versions of the US flag that came before our current version. Colorful, patriotic photographs aid readers in understanding the text, as do informative graphic organizers.
