Now what? How do you even start to get it published. Self-publishing has opened a whole world of opportunity up to writers and it's become a valid choice when it comes to publishing. But if doing it all by yourself seems daunting, don't despair. I've published several books, including a successful Paranormal Romance series. I've learned all the tricks and tips that will help make the process easy for you as well as help you to be successful at it. And I've done it in just a few easy-to-follow chapters. This book will get you started on the way to literary success immediately. This item ships from La Vergne, TN. Paperback.
