Delacorte Press Books for Young Readers, United States, 2008. Paperback. Book Condition: New. Reprint. 201 x 130 mm. Language: English . Brand New Book. HAI HAS ALWAYS been an outsider. With a falcon mother and a deceased cobra father, she is considered a mongrel by most, an ally by some, and a friend by few. Hai s broken falcon wings are a painful reminder of the life she once led on the island of Ahnmik. And here in Wyvern s Court, the avian and serpiente royal family keep their distance, refusing to acknowledge her cobra bloodline. They know that Hai s magic is so volatile, she can barely control it, and images of the past and future threaten to overwhelm her. When Hai s cousin, Oliza Shardae Cobriana, abdicates the throne of Wyvern s Court, Hai has visions only of destruction: the serpiente king Salem, dying in her arms; the dutiful guard, Nicias, unable to save a generation of children; and Wyvern s Court engulfed in flames. Now Hai will do anything to protect her new home - even if it means betraying the very people who need her most. From the Hardcover edition.
