Random House Audio Publishing Group, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 150 x 127 mm. Language: English . Brand New. For readers of #GIRLBOSS and viewers of Shark Tank comes a guide to becoming self-reliant, self-actualized, and rich in every way by activating your entrepreneurial instinct and working to attain happiness through financial freedom from the self-made mogul, real estate investor, TV personality, and founder of the empowering Adelante Movement, Nely Galán. What does it mean to be self-made? It means that you own a part of yourself that no one else can take away. It results in financial, mental, and emotional freedom. It means that if you stumble, you can achieve success and happiness for yourself all over again. Informed by her experience as a Cuban immigrant who learned that financial independence equals freedom, Nely Galán has been spreading that message to audiences across the country. She tells women to stop waiting for permission to go after what they want from their bosses, spouses, and companies. For her, success is defined by helping yourself and your family to a better life. Self-Made is a colorful, no-nonsense manual for aligning your money with your mission. Galán's frank and feisty approach motivates women to: Get out of survival mode . . . where you're one problem away from catastrophe. Make money: Learn how to invest \$5 each week and become a millionaire. Change your mindset from instant gratification to goal orientation: Don't buy shoes; buy buildings! Focus on the ultimate: to work because you want to, not because you have to; to be able to reward yourself and your children with things like an education, trips, and owning a home; to feel actualized, self-reliant, and self-made.
