## Social Movements and Globalization: How Protests, Occupations and Uprisings are Changing the World

By Cristina Flesher Fominaya

Palgrave Macmillan. Paperback. Book Condition: new. BRAND NEW, Social Movements and Globalization: How Protests, Occupations and Uprisings are Changing the World, Cristina Flesher Fominaya, Globalization and social movements are inextricably linked. Contemporary social movements both shape and are shaped by globalization. Social Movements and Globalization explores this link, providing a fascinating insight into the dynamics, challenges and opportunities of contemporary social movements in a globalized world, whilst simultaneously revealing the effects, critiques and limitations of globalization. Engaging and accessible, the book's comprehensive introduction to the definitions, theories and debates surrounding social movements and globalization is richly illustrated by case studies from around the world - from Anonymous, to 15-M/Indignados, to the Zapatistas, the Arab Spring and more. In drawing on cutting-edge research, up-to-date analysis, and offering coverage of key areas of study - with chapters on the 'Global Justice Movement', cultural resistance, media, cyberactivism and the recent 'Global Protest Wave' of anti-austerity and pro-democracy movements - the book makes a vital and original contribution to a range of disciplines, not least Sociology, Politics, International Relations, Media Studies and Cultural Studies.
