Ever felt crushed by love Almost lose yourself because of love Ever wonder how you would find you again I almost did not feel a thing for a while. I had trouble sleeping and all I could think about was the love I lost. I found myself in a place I did not recognize. I called it rock bottom. Moving on is so damn hard. I struggled with my racing thoughts and emotions. Being so hurt but still so in love. How do you end something that is not over in your heart How do you rebuild you again Start with being completely honest about yourself with yourself. Remain honest about your experience with love. Do not sugar coat your feelings or where love has taken you. Heartbreak allows time for reflection. I fell in love deeply and it ended with me hurting even deeper. Words can change things. The words you think, the words you speak, the words you write, the words you live by. This memoir...
