Brand New Book ***** Print on Demand *****.Welcome, in reading this book, which will change your thinking philosophy, of your life and of many worldwide. We live in the 21st century, with greater possibility never seen in human history for a person become a millionaire or billionaire, according to the samples, the data from the North American magazine Forbes. There is the emerging growth of people, with great fortunes billionaire and millionaire, and many people were strangers, ceased to be unknown, to belong to the class of millionaires and billionaires, the so-called Self made billionaires, millionaires, those who didn t have money in their pockets, in banks, but that with small seeds of ideas, influenced the world with various products, goods and services. In this competitive race, does not respect the age, place of birth, which takes into account, is the ability to generate goods and services to help people. The great CEOs and founders of multinationals, are people with great sense of responsibility and commitment, and if you want to be successful, you must love learning various subjects, the world is in constant motion, those who stop to learn are exceeded. The author likes the word from new Microsoft CEO Mr. Satya Nadella, when he took the role of CEO last year of 2014, CEO of the world s largest company, he said the following sentence: in this competitive market, there is no respect for traditionalism, the question of the moment is the technological innovation, think big to face big challenges of the future, always looking for the great future challenges, and to maintain the prosperity of the company. Stop suffering, the stories of successful people from past centuries, was connected to...
