SIMPLE GOLD: MUSINGS OF MIND AND SPIRIT

Wipf Stock Publishers, United States, 2010. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Gold has always symbolized material riches. It is a simple element that somehow exceeds its intrinsic value. Its pursuit has become, for many, the primary goal of life. What is it that attracts us so about money and the material things it can buy? Is our fear assuaged by the perceived safety from a rainy day or do we believe that enough things will somehow fill the emptiness inside? I would hazard to guess that no amount of money has ever made anyone happy, ever. True happiness comes from finding our center, that place deep within each of us that cries out to be filled, a place that has been empty and found wanting since the beginning of time. No? Then ask yourself why a world founded on materiality is so screwed up and why the coveting of wealth so often lays waste to lives, compassion, and families in the pursuit of such things? The happiest people I know are those who treasure love, peace, and freedom over the chains imposed by the ownership of material things. These truly fortunate few are filled and made happy by the knowledge of a divine presence within, a presence that offers riches that satisfy the soul. They know that everything here is nothing in eternity. They, my friends, are the truly happy ones. So let us abandon our search for the pot of gold at the end of the rainbow, the quest for the fountain of youth, or enlightenment in a capsule. Let us put aside these shallow offerings and pursue instead the divine life: the life that makes pale and lifeless the pursuit of simple gold. Join me here...
