Reviews

Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Bernie Mante PhD)

PIGS IN PARADISE

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Thomas Hardy is still anything but a famous author! He is still, however, getting into an awful lot of trouble whilst trying to write his next masterpiece! Whilst researching a romance he is attempting to write, (very badly,) he inadvertently gets involved in a gang war between rival London gangsters. With a price on his head he flees once more to what he imagines to be the safety of the sleepy French village of Saint Paul, but life is never that simple for our hero! Although this dark comedy is the sequel to The Almost Perfect Plot any lover of black humour will enjoy this tale of death and mayhem as a stand alone book.
