But as Daniel comes of age and begins to fall in love with childhood friend Beatrice Hart, he can't help but wonder about his heritage - his olive skin and dark eyes reminding him daily of the difference between him and his siblings, and between his and Beatrice's families. Meanwhile, shocking truths about Fletcher's own family line are suddenly brought to the surface, revealing a connection between the two families. Daniel's wish to learn about his bloodline takes him to Europe, where decisions about his future take shape. But will it be one he can share with Beatrice[unk] And as Harriet hopefully awaits his return back home on the farm, she could never imagine that answers to questions about her own family are also just on the horizon.
