Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Finally, here is a book that helps parents guide their student through college from acceptance letter to graduation day. College is one of the most expensive purchases parents make. Yet, only a third of college students graduate in four years and barely a quarter of new college graduates have a job at graduation. Even more sobering is that 80 of college students move back home with their parents after graduation. This book gives parents the knowledge and tools to help guide and inspire their students to get the most out of college and graduate with the job of their dreams.
