Hut of what avail, under u-y form of government, is the attempt to enslave the mind? As soon would the academy devise means to arrest or control the revolution of the solar system, as the legislature of any country find laws that would bind the free spirit of man. How long has tyranny tortured its invention and varied its apparatus ftr discovering this grand desideratum?--Creeds, tests, and anathemas have been tried--stripes, fetters, and dungeons, have done their best--racks, flames, and gibbets, have exhausted all their powers, and all have ended in miserable disappointment--and is it not extremely difficult to conceive how the notion ever came to be entertained, on this side the Atlantic, that the thing is still practicable? The genius of our country did not borrow even the miidest feature of such a system; and it is certainly not congenial with our habits of think cessary for their defence; if they conceive it to be their duty and their interest to fight; if it accords with their religious principles to repel aggressions by the sword; if, in the full exercise of their privileges, they give to the government authority to command them in these services; this is their own act, and they cannot complain of the consequences! But a man is not the judge of his neighbor s conscience, and if the powers they surrender for themselves involve the constitutional privileges of others, they are binding only on those who have...
