

The Centenary of Kentucky

By Filson Club

Not Avail, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1892 Excerpt: .night with the glow of the midday sun, has been made to move machinery with a velocity hitherto unknown, and to dispel the shadows of the night. Passenger cars propelled by its invisible might glide along the thoroughfares of our cities, and provisions are being made to make it the motive power of locomotives to draw immense trains of cars over the lines of the railroads extending over our vast country. We call this subtle agency Electricity, and assign to it possibilities for the future as great as its mysteries are now and have been in the past. Steam engines have been placed in every position in which power is required. They ride on our railroads, they float on our rivers, they whirl in our factories, they know not weariness, nor require rest. By day and by night, in sunshine and in cloud, they cease...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
