Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Teacher s Manual for the Andrews Lunar Tellurian To The Teacher: In the preparation of this Manual the writer has endeavored to treat the subjects presented, in a simple vet forcible manner, avoiding as much as possible, technical terms. The illustrations given outline the work that should be done in the class-room. The teacher should, and no doubt will supplement these illustrations in many ways, presenting the subjects treated, step by step in a thorough and jet attractive manner. The value of demonstration is no longer doubted, and in those schools where it is most used the best results follow This is pre-eminently true in geographical and astronomical work The Lunar Tellurian is designed to furnish the illustrations necessary to give the pupils a comprehensive understanding of the relationship, of the earth, sun and moon. It is so simple in construction that the average teacher may use it to advantage after a few hours study with the Manual. The teacher will find it advantageous to now and then assign a topic to one of the...
