Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Men of Maryland As a result of many years of research and investigation, embracing various volumes, ecclesiastical journals, private letters, as well as information received from the lips of some of the characters mentioned, the author has accumulated considerable data bearing upon the lives of colored men, natives of the State of Maryland, which, in his opinion, ought to be known and studied by the rising generation of colored people of Maryland. It has occurred to him that such data put into a convenient form cannot but prove interesting and helpful to all intelligent and patriotic members of the race. And, again, it is his belief that the appearance of such a volume, recording the annals of the Men of Maryland might incite others, lovers of the historical doings of the race, to compile like volumes, with respect to notable and distinguished colored men of the various States of the Union, and, thereby, secure, in substantial form, important historical matter pertaining to the race throughout the country, for the benefit of the generations which are to follow.
