Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Tyndale House Publishers, United States, 2011. Paperback. Book Condition: New. 183 x 132 mm. Language: English . Brand New Book. This six-book series centers around two 23rd century goofballs, Tuna and Herby, who travel back in time to study TJ Finkelstein for their history project. TJ will someday become a great leader who demonstrates honesty, integrity, thoughtfulness, self-sacrifice, respect for others--all traits she hones and grasps through her adventures in this series. Unfortunately, Tuna and Herby get stuck in TJ s time (modern day), so she has to deal with their schemes while juggling the normal issues of a seventh grader who has moved to a new city, is trying to fit in, and is coping with her mother s death and her family s new life. In New Kid Catastrophes, TJ accidentally makes an enemy of Hesper Breakahart, the superstar who attends their school. And Tuna and Herby s attempts to help just lead to one disaster after another. In the end, TJ is still very unpopular, but she learns the value of looking past appearances and gains a few friends--and the attention of the most popular boy in school.
