Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In addition to the traditional investment diversification of asset classes, the concept of Better Wealth Management considers; 1) The ongoing decrease in purchasing power (PP) of the USD (as revealed in pricing of goods and services, and foreign exchange rate), and 2) The threat of increased taxes, capital controls, and confiscation by the U.S. government. This book offers solutions based on; 1) Internationalization of assets into nations with strong economies, low capital controls and taxes, and a stable monetary system, 2) Creation of a Multi-Generation Succession Program , managed by an International Business Corporation , and 3) Use of Charitable Trusts for tax minimization. This approach requires a Wealth Management Plan which considers the economic trends and monetary and fiscal policies of many nations, and which ones to deal with based on whether the PP of their currency, and value of real estate and securities is likely to rise or fall. Chapters 1 to 5 educate investors on the history and problems of our monetary system (this aids investment thinking), and chapter 6 offers non-traditional strategies to increase your wealth, and reduce risk and taxes by internationalizing your assets with a Wealth Management Plan. The USA needs major changes in fiscal and monetary policy to end distortions and losses in our economy, and end corruption in government and the financial services industry. Most people now view the government as the source of laws and funding to fix anything, and the Constitution is ignored as old fashioned . The Federal government gets the most attention because, with its compliant Federal Reserve System, it can create new money at will. Of course, once the door is opened...
