** WARNING: This book brings together, with a substantial amount of new relevant material and explanations, elements from my other readings books. ** Who This Book Is For This book is a social toolkit for guys who like girls, to give them the confidence to banish uncomfortable pauses and missed opportunities with members of the opposite sex forever Do you enjoy female company but sometimes find it difficult to strike up a conversation? Are you going on a date but you re a bit worried you ll run out of things to say? Or would you simply like to inject a little more fun into your social life? If you answered yes to any of these questions then this book could be for you. This book will teach you enough about Palmistry, Graphology and Numerology to get you into trouble. If youre looking for an in-depth guide to giving readings then you ve most certainly come to the wrong place; unlike some of my other books this particular book is more about kickstarting conversations with an emphasis on talking the talk in social situations. This may not be a reference work yet the source material is taken from my previous Speed Learning series of books that cover each topic in more detail, so even though these pages are high in theory and low in fact, all the descriptions in this book adhere to the commonly accepted meanings for each topic. What is presented here is a light-hearted approach to the real-deal, simplified so you can concentrate on having fun instead of getting bogged down in the intricacies of...
