Hence, the poem can be classified to the postmodernism, which is characterized by the self-conscious use of earlier styles and conventions (Oxford Dictionary, np). The theme of this collections opening poem is poetry itself and the importance of the lyric persona. The poem can be roughly divided into an introduction (verse one to eight), a main part (verse nine to 18) and an end (verse 19 to 20). In the introduction the lyric persona rebukes the lyric thou in its behaviour. The main part is a foreshadowing of the upcoming poems of this collection. The poem ends with a demand for praying.
