

PHP Tutorials: Programming with PHP and MySQL

By Paul Gibbs

Paul Gibbs, United Kingdom, 2014. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.Second Edition April 2015, revised and updated. Written from a series of college lectures on PHP and MySQL, this book is a practical look at programming. It starts with an introduction to PHP and then goes on to MySQL and how to use SQL with the PHP language. It provides an introduction to web programming, how to display data from a database and update data to the database. It explains issues that you encounter in real world situations and provides the basic code from which you can then use to further develop. It would be helpful if you have some HTML knowledge, but the examples should provide you with what you need to know. It would also be helpful to have had some experience in programming using one of the more popular languages such as Visual Basic, although this is not necessary. Many of the tutorials consists of a series of examples and tasks which illustrate each point and concentrate on simplified code so that you can see how they are used. * Introduction - Basic PHP...
