Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

(Robyn Nolan)

THE ELEMENTS OF STYLE(ILLUSTRATED)

Createspace, United States, 2014. Paperback. Book Condition: New. Illustrated. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Elements of Style is a prescriptive American English writing style guide in numerous editions. The original was composed by William Strunk, Jr., in 1918 and published by Harcourt in 1920, comprising eight elementary rules of usage, ten elementary principles of composition, a few matters of form, a list of forty-nine words and expressions commonly misused, and a list of fifty-seven words often misspelled. It was much enlarged and revised by E.B. White for publication by Macmillan in 1959. That was the first edition of so-called Strunk White, which Time magazine named in 2011 one of the 100 best and most influential books written in English since 1923.
