AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. Teachers Guide. 274 x 208 mm. Language: English . Brand New Book ***** Print on Demand *****.How to Eliminate Achievement Gap Without Leaving Any Child Behind: A Handbook of Strategies and Best Practices was designed for college and university instructors, teacher education majors, and classroom teachers, especially the first year teachers who will need the ready-to-use strategies to teach the curriculum subjects right from the first day of school and throughout the school year. There are eleven proven, research-based, and practical strategies for teachers to use with their students. There are graphics and charts available in black line masters for teachers and students. The test banks and answer keys are for the teachers or instructors to use to assess student learning. Today more testing has become the norm rather than the exception in our schools. This book addresses the questions: Why should teachers assess student learning? Do students really learn the specific curricular objectives that teachers are teaching? How do teachers and instructors know whether or not students are really learning and mastering the concepts that they are teaching? It presents the different assessment tools available to teachers and instructors to use in assessing student learning. Classroom management affects how successful teaching and learning occur within the classroom. The book describes several strategies that teachers can use to maintain discipline and actively engage students in the learning process. It suggests several examples of effective classroom procedures and routines that teachers can use to maintain discipline in order to focus on teaching and learning. With the mandates of the No Child Left Behind Act of 2002, this book also identifies the things that states, local districts, and individual schools are doing to narrow the achievement gaps. Finally, the book summarizes the research findings...
