

CourseCompass Access Code Card for Course Connect: Elementary Math Strategies

By Pearson

Pearson Education (US), United States, 2010. Online resource. Book Condition: New. 229 x 157 mm. Language: English . Brand New Book. This online Elementary Math Strategies course developed by Pearson Teacher Education and Development offers instructors a rich online course built around assignments and activities, classroom videos, and readings. Weekly assignments are focused on essential course concepts and provide well-structured and effective learning activities. Once students complete these assignments they are given opportunities to discuss and reflect upon what they have learned. Students are then led to meaningful weekly activities that require them to apply what they have learned. Available for most course management systems, this course is customizable and can easily accommodate and adapt to instructors own resources and materials.
