Jd Maher Creations, LLC, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.How do you describe that which resonates so deeply within a man s soul and spirit, relentlessly stirring him, birthing within a longing so intense that it begs both further inquiry and pursuit? Like molten lava accumulating in volume and pressure far below the earth s surface, the transforming potential compounds daily, unrelenting in its demand to break forth. What will it take to free him from his inherent nature to delay while attempting to understand, quantify and control what is beyond his grasp? What could be of such importance to him that he would willingly submit himself to what, at times, seems to be endless torment - challenged and goaded by other men to expose and overcome his deepest fears, insecurities and hurts? Why would he knowingly participate for hours at a time, returning weekly for more than seventeen years, to an atmosphere that all present find both disarmingly threatening and yet invitingly safe? Enter in and learn how one man discovered that yielding his heart and soul to transparency and brokenness before brothers in the Lord could bring him into an ever-deepening relationship with a loving Father he so desperately longed to know. Then, having discovered this truth, see how the Holy Spirit continuously guided him and the group - individually and collectively - to enter into a realm where all are welcome, but few choose to come.
