Gabby Cat Publishing, United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Evolution begets Revolution and there is no middle ground. The Great Wheel has turned and Evil resurges; Troubled times linger as a new threat emerges. Sides will be drawn and true colors revealed; But one is still curious of what s left concealed. -The Oculus As this ancient prophecy began to unfold in the first volume of this epic adventure, the tiny town of Lloyd s Hollow was razed to ruins: shattered by powerful earthquakes and ravaged by sinister, invading trees that rocketed up from the earth s core-harbingers of a new Evil who s determined to overtake our world. The Evil Empress Eartha Naturalus-the second of five Unholy Scholars who d been locked away centuries ago by the Angel Serafina-is about to make her entrance thanks to the untimely demise of the Sentinel who guarded her door, the Rebel Phoenix Alabaster. Having been burned at the stake and his ashes divided into three separate urns, the Rebel Phoenix s spirit still holds some power over the Empress. As long as the possibility exists that his ashes can be recovered and reunited before the setting of the harvest moon, the Empress doesn t dare enter. The only problems are that the urns are lost and the harvest moon is rising. Using their minds, their magic, and their mischief, Buggy and her friends must outwit and outrun those who wish to stop them on their quest to save the world, but along the way, they ll be forced to make some very unlikely allies-the most unlikely of all is Buggy herself after she discovers she could very well be her own greatest enemy. For more about Buggy...
