Random House USA Inc, United States, 2003. Hardback. Book Condition: New. 211 x 145 mm. Language: English . Brand New Book. Your marketing sucks . . . What in the world does Mark Stevens mean? That s just another way of saying they ll camouflage their failure to generate sales behind an intellectual smoke screen. Mark Stevens is the best friend of anyone with a product or service to sell who wants to use marketing as a basis for growing the business. What he provides both entrepreneurs and Fortune...
