DESI OR PARDESI: Out Of India For Good, Or Will You Return Have you forgotten India or do you long to return Or may be you plan to leave its shores. Wherever you are in the world, if you are of Indian origin Desh Aur Diaspora will tug at your heart strings and give you food for thought. A permanent exit from India is difficult for most Indians. But whatever your plans, Desh Aur Diaspora has useful insights and a provocative fusion of challenge and hope in its nearly two decade collection of thought provoking editorials from The International Indian magazine. Desh Aur Diaspora engages you with inspiring concepts, inviting debate to shape a well rounded worldview that combines a passionate love of country with a determination to excel and make a difference at home and abroad. Frank Raj is the founder, editor and publisher of The International Indian, the oldest, authoritative magazine of...
