*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Sophie Rogers has left her demons in the past and finally has her life under control. Three years after leaving high school, where she was endlessly tormented by the school's golden couple, Sophie has her art degree nearly in hand. Juggling two jobs, she prides herself on her focus and determination to ensure her independence. Until Ashton King saunters back into her life as a nude model for her art class. Ashton and Lucinda had made it their mission to make Sophie's life miserable from the moment she walked into their lives. But now, with Lucinda out of the picture and Sophie back in his sights, Ashton changes the rules of the game and takes it to a whole new level. Sophie is thrown back into the turmoil she thought was long behind her. Ashton's body is made for sin, and his icy blue eyes scorch her with feelings too intense for a heart as scarred as Sophie's to bear. Glimpses of another side of Ashton give her a flash of hope, but his deceptions run much deeper than she ever dreamed. Truth or Dare. Which would you choose?.
