This book will equip you to discern the enemies in your mountain and defeat them. This book will also give you the strategies to advance on your mountain and begin to disciple nations. This book is the abbreviated version of our comprehensive manual Let Heaven Invade the Seven Mountains of Culture - 7M Leadership Certification Guide. To affect an entire society, we must affect all Seven Mountains of culture, which include business, arts and entertainment, media, government, education, church, and family. Is God calling you to invade the marketplace and to take back these mountains of culture through your leadership and acumen for His kingdom? If so, this is the introductory book for you! Spiritual warfare is an unavoidable component to take your mountain(s) of influence. In I Chron. 12:32, scripture relates that the 200 chiefs, the men of Issachar, knew the times and seasons and what Israel should do. In this hour, God is again raising up anointed men and women who know how to touch heaven and bring the wisdom from above down to earth and into their organizations, into their leaders lives and into their families. This manual will assist those anointed men and women to fulfill that Kingdom goal. WISE s passion is to see leaders in all areas of society surrounded and protected, loosed from all types of bondages and hindrances and released into their respective destinies.
