Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

LITTLE RED HOOD

Phoenix Yard Books. Hardback. Book Condition: new. BRAND NEW, Little Red Hood, Marjolaine Leray, Sarah Ardizzone, She started life as a little red scribble and then, there she was: a little red hood. The wolf is still big and bad, . Little Red Hood cunningly tricks her predator into his demise: this is one savvy little red scrawl with her head screwed on. Edgy, stylish and very funny, this book retells the famous story in an unexpected way. REVIEWS: "Leray's startling, pared-down scenes show what drama can be achieved with one red crayon, a little black ink and immense style. It's totally brilliant." -- THE TIMES. "Someone is always going to come out badly in any version of the classic story of how a little girl in a red hood fares against a big bad wolf. This time, the action never reaches the grandmother so the tension - vividly illustrated in sketchy line drawings - is between the wolf and the fierce but insouciant little girl. The familiar phrases of big ears and big teeth are bandied between the two before the dramatic final showdown. An elegant and sophisticated tease of a book." -- THE GUARDIAN. "This is *the* most humorous, clever and witty rendition of 'Little Red Riding Hood' that we've had the pleasure of reading. Using only red and black across the blank white pages, with limited text and not a bed-ridden Grandmother in sight, this quirky take on a classic pushes the boundaries and for that reason alone, we love it!" -- PICTURE BOOKS BLOGGER. "If there's anyone out there who is worried about the future of children's publishing, here's a book to cheer them. It's all frighteningly good: author, translator, publishing house - all young, fresh, independent, and talented. A book that made an old hack...
