Brand New Book ***** Print on Demand *****.Excerpt from The New England Primer The Westminster Shorter Catechism. - In calling tine particular attention of heads of families to this admirable compendium of Christian doctrine I do not mean to speak disparagingly of the catechisms of those evangelical Christians, who dissent from some of its statements; but only to express my own admiration of it, as the most lucid, guarded and comprehensive epitome of Bible truth, which I have ever seen; and as, in my judgment, the best family manual that the wisdom and piety of any tody of uninspired men has ever yet given to the church. And however the advocates of other creeds may differ from me in opinion, I cannot well see how the enlightened members of that very large body of Christians, Presbyterian and Congregational, who embrace the Westminster Confession of Faith, can dissent.
