The study was made in connection with other experiments on the inferior races at the Louisiana Purchase Exposition in 1904. During the period of the Exposition, the writer, in the capacity of Assistant Superintendent of the Sections of Anthropometry and Psychometry, under the Division of Anthropology, in cooperation with Dr. (now Professor) R. S. Woodworth, who was his immediately superior officer, was commissioned to make a study, so far as practicable, of the mental and physical status of the alien races stationed on the Exposition grounds. In the arrangements for the tests, the entire problem of the hearing of these people was assigned to me - the ways and means of testing their hearing, together with the turn and scope the particular study of hearing should take. When it came...
