Language: English Brand New Book ***** Print on Demand *****.Excerpt from Histological Demonstrations: A Guide to the Microscopical Examination of the Animal Tissues in Health and Disease for the Use of the Medical and Veterinary Professions In offering this work to the members of the Medical and Veterinary professions, with the hope of lessening the difficulties which obstruct the progress of the beginner in histological investigations, it is necessary to explain the circumstances under which it was written. During an attendance on Dr. Harley s demonstrations in the physiological laboratory of University College, the observation of the facility with which objects were prepared for examination in the presence of the class, and the readiness with which the directions of the demonstrator were comprehended and carried into effect by the students, suggested to me the possibility of describing in an intelligible manner the method of instruction which was so successful in practice. With Dr. Harley s concurrence and with the assistance of his original notes, which he placed at my disposal, the work was begun, and since then has gradually assumed proportions which were not at first contemplated,...

Reviews

An incredibly wonderful book with perfect and lucid explanations. It normally is not going to price a lot of. I am just very happy to tell you that this is the greatest pdf we have go through within my personal lifestyle and could be he finest book for at any time.
