## DAY TRADE ONLINE: START TRADING FOR A LIVING

John Wiley and Sons Ltd, United States, 2001. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. The explosive growth and low cost of online trading has created a new class of investor who can now make a living buying and selling stocks over the Internet in a way that was once reserved for Wall Street's most powerful brokerage firms and investment banks. While technology has made entering the major leagues easy, staying in is not. Before taking to the fast-paced, high-risk playing field, it's absolutely essential that you have a firm grasp of the rules and a solid game plan. Day Trade Online is the play book novice competitors need to become strong contenders. Written by seasoned practitioner Christopher Farrell, it is a one-stop, step-by-step overview of how to make a successful living, whether full- or part-time, trading via the Internet. Day trading can be quite lucrative, but only if you know what you are doing. As Farrell points out: Trading for a living is hard. Trading for a living over the Internet is even harder. There are many challenges and obstacles that confront you. Venturing into this jungle unprepared is a recipe for disaster. This straightforward guide provides the head start and heads up necessary to thrive as an Internet day trader, covering everything from the dangers and pitfalls of trading online to an in-depth analysis of which trading techniques work and which don't. Day Trade Online presents inside information on the strategies of top trading firms, including the most secretive, misunderstood, and profitable function on Wall Street: exploiting the bid-ask spread. Along with complete details on this rarely revealed methodology, you'll learn about: The tools needed to get started in online trading. Trading on the NYSE and NASDAQ....
