Leeloo Publishing, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Brick Wilson s adventure takes the reader crashing through universes, galaxies, circuits and alternate realities where anything can and does happen. On his search for the lost (or was it stolen?) Pesnort, Brick is continually challenged by dangers real and imagined as he skillfully avoids the Ultimate Galactic Headquarters Tax Authority, dodges the increasingly menacing plots for his demise by arch nemesis Terd Murchison, and is continually stalked and mocked by the color Red. Can he save the Pesnort, the Universe and himself with a psychotic android in tow? Brick invites everyone to tag along on his chaotic ride through the Ultimate Galactic Universe. Well, not literally everyone. There are a few Yogalarian bookies he d rather not find him and would appreciate if no one gave them a heads up, as he is sorely lacking the funds to make good on an ill placed, guaranteed sure-to-win wager. Always read the fine print, as anything guaranteed sure-to-win does not necessarily impart who will win, but rather explicitly states it will most likely not be the party placing the wager. Welcome to Brick Wilson s universe. Cheers.
