Filesize: 6.51 MB

Reviews

This is actually the greatest publication i have go through right up until now. I really could comprehended every little thing using this composed e book. I realized this book from my i and dad advised this ebook to learn.

(Jimmie Schmidt I)

FOSTER S COMMON SENSE LEADS, AND HOW TO LEARN THEM: BY THE AUTHOR OF FOSTER S WHIST MANUAL (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Foster s Common Sense Leads, and How to Learn Them: By the Author of Foster s Whist Manual It has always been the custom to regard the method of opening the hand and leading from certain combinations of cards, as among the most important elements in whist tactics, and it is usually toward that part of the subject that the attention of the student is first particularly directed. For many years the system of opening leads was universally the same, and a player would find hands opened in much the same manner in all parts of the world. To-day, this is no longer the case, and not only are hands opened in different ways in various parts of the country, but dissimilar systems may be found among members of the same club. The old leads, as they are called, and the American leads, which shared the field with them for a time, are no longer played in their integrity, and in their place has sprung up a system of leads based upon common-sense considerations of the average value of the hand from which the lead is made. What these leads are, and how to learn them, it is the purpose of the following pages to show. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
