I can t put all the blame on Angela Van Landingham. She had her own brand of wickedness-I m not talking here about her frilly pink handcuffs and tantric love collars-but she s not the one who made me fat. I did that to myself. And how did being fat land me in jail? Because I didn t go to Mexico, as I d planned. That s where I was headed when I fled from New York, only I made a little detour. If I d stayed on course and made it to the border, everything would be different now. But I was fat, and I didn t go to Mexico. And now look where I am. Okay, so I robbed her restaurant. She deserved that. But I didn t kill her.
