Brand New Book ***** Print on Demand *****.Tired of reading books on the Last Days that push just one viewpoint? Which Bible passages should be included in any biblical eschatology? Could nations and generations continue on after the Return of Jesus Christ? What about the rapture of the Church? Could the end of Old Testament history be a prophetic preview of the end of our Church age? (It already happened once!). Will Jews and Christians ever be united? Is there a millennial kingdom? THE FUTURE GREAT PLANET EARTH, by Dr. David E. Fischer, will examine these questions and a lot more. You will understand the Bible in a brand new way! Where is our world headed? What about Judeo-Christian values? Is everything going to fall apart? Is there any hope for our future? How bad is it going to get? How good will it get? Learn how we really DO have a practical, realistic hope! You will be amazed to learn how much the Bible deals with nations and empires and their interactions. How did God s people rise to power and rule pagan nations? Why did foreign leaders fund the worship of Jehovah? How has God changed political landscapes in the past? Can this be repeated in the future? Dr. Fischer explores a wide range of subjects, such as the future relationship between Jews and Christians, reversing the persecution of the people of God, the Mark of the Beast, and a possible one-world government hostile to Christians and Jews. The Bible will open before you in a rich tapestry, which will give meaning and purpose to what we see happening in our twenty-first century world. You owe it to yourself to consider this perspective...
