Bacque Jr. figures his poor eyesight rules him out for the draft, not to mention the fact that he s studying law in college, so the young man doesn t worry too much about the war raging in Vietnam. But when his law school requests he doesn t return, Bacque learns just how wrong he was. Still convinced his eyesight-or rather the lack of it-disqualifies him from a combat position, he learns once again he s mistaken. Sent through Officer Candidate School, he winds up assigned to the 5th Special Forces.the Green Berets. Once in Vietnam, Bacque prepares for the worst-only to have fate finally cut him some slack. Reassigned from an A team back to a B team, he finds himself removed from the front lines and ordered to perform a task better suited to an accounting major, a course he barely passed in college. Still, it beat trying to survive jungle warfare with a serious vision impairment. A Walk in the Park: A Vietnam Comedy charts Bacque s experiences in Vietnam along with his growing disillusionment with the war s management. Funny without being disrespectful, his story offers a surprisingly comedic look at wartime service.
