

## The Dog Hunters: The Adventures of Llewelyn Gelert Book One

Filesize: 2.89 MB

### ***Reviews***

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*  
*(Prof. Loyce Runolfsson Jr.)*

## THE DOG HUNTERS: THE ADVENTURES OF LLEWELYN GELERT BOOK ONE

Createspace, United States, 2013. Paperback. Book Condition: New. 202 x 124 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.While Welshmen die fighting English invaders, their young Prince, Llewelyn is made to study Plato. But then a mighty Chinese war fleet arrives, offering to annihilate the old enemy. Their price? Llewelyn s oldest friend, Gelert, the legendary (if phenomenally flatulent) wolfhound. Boy and dog are kidnapped and dragged across stormy oceans and scorpion-infested deserts in a nightmare journey involving flying dogs, berserk baboons, and thousand-year-old sailors. Thoughts of escape dissolve when the young prince meets Feiyan, a bewitching, angry girl with a secret agenda of her own. But just as he takes up the cause of the Jiang freedom fighters against the remorseless forces of the Emperor, Llewelyn discovers the horrifying truth behind their plans for Gelert. 5-STAR REVIEWS FROM AMAZON (Kindle version) I loved it. Brilliant for young adults and their grown ups!, - I am a teacher so I read this book originally thinking of it as a book for teenage boys. However, I quickly got sucked into it, and loved it as an adult. It is beautifully written with both good language and great colloquialisms which make it fun, and personalize the characters. It is an adventure of boy and his dog, with elements of medieval history, loads of geographical references and just enough science to keep us curious. Can t wait for the sequel! Katrina Nicosia August 8, 2013 My 11 year old couldn t put it down!, This book is great for a wide range of ages. Lots of twists and turns and completely unpredictable. I downloaded it on a recommendation but didn t get to read it first as my 11 year old boy had his head in the book until...
